Join the Twin Cities Metro Growers Network for our 2nd event of 2020...

**Seed Swap and Seed Saving Primer**

**Eastside Food Co-op**  
2551 Central Ave. NE, Minneapolis  
Saturday March 21st, 2020 -- 1:00 to 3:00  
Please be on time as we have a full program!

*Seeds* -- an invaluable, shared resource that we all depend on for life, yet, like water and air, we take for granted. Learn about the basic steps and tools needed to save your own seeds, how to water treat seeds for disease control and we’re hosting a seed swap – bring your good seeds!

--- Agenda ---

--- Welcome & Introductions - Karl Hakanson, UM Extension-Hennepin County

--- Seed Saving Primer - Koby Jeschkeit Hagen, Seed Sages  
Founder and Guide -- will include information about upcoming in-depth workshops. About Seed Sages: [www.seedsages.com](http://www.seedsages.com)

--- Seed Treating Demonstration - Natalie Hoidal, U of MN Extension, Horticulture and Food Systems. UMN Extension-Horticulture:

--- Seed Swap

✓ Bring your viable seeds to share and swap!  
✓ Identify your seeds as best you can, include crop, variety, year grown, grower's name, location grown, flavor, etc.  
✓ Share your experiences with the crops you like to grow  
✓ No seeds to share? No Problem! Come as you are!
