Join the **TC Metro Growers Network** for ....

**Natural Landscaping for Your Yard & Garden**

Join in, **June 9th from 12:00 Noon to 1:30**, where we will learn about including everyone in cultivating wildlife habitat. Want to have a beautiful pollinator and water quality friendly yard? Don’t know where to start? Don’t have a big budget?

**Tune in with your questions, ideas and experiences.**

**Community Centered Resilient Landscapes**

*Laura Scholl*, Associate Director, Metro Blooms

**Right Plant, Right Place**

*Julie Weisenhorn*, UM Extension Horticulturist

**Planting for Pollinators**

*James Wolfin*, Sustainable Landcare/Turf Alternatives, Metro Blooms

---

**Wednesday June 9th, Noon to 1:30 PM**

We are still virtual ... we are still networking!

Worldwide we are in the midst of a bird and insect collapse catastrophe (See "Plummeting insect numbers 'threaten collapse of nature'`). Every square foot of land can make a difference. Your yard, or the property you manage, can make a difference. You can provide real ecological benefit on your city or suburban lot!
