Interested in raising chickens, pork, goats, sheep or bison on pasture?

Network with other livestock producers and learn how those specific species are raised through a Sustainable Farming Association winter webinar series.

Each webinar highlights 1-2 farmers discussing the production model for that livestock species, pros and cons, processing and marketing opportunities and challenges. Each runs from 6-7:30 p.m. The lineup:

**Jan. 13 – Hogs:** Dayle Reinke, Cloverleaf Grass Farm

**Jan. 20 – Sheep:** Keith & Anna Johnson, Blissful Bee Pastures; Doug & Connie Karstens, The Lamb Shoppe

**Jan. 27 – Bison:** P.J. Breen, Rolling R Bison Ranch; Craig Fischer, Sleepy Bison Acres

**Feb. 3 – Goats:** Cherrie Nolden, 1dr Acres Farm; Jake Langeslag, Goat Dispatch

**Feb. 10 – Chickens:** Lance Klessig, Heart & Soil Ridge Farm; Jared Luhman, SFA
