SFA’s 10th annual Midwest Soil Health Summit, “Pioneering the Future: The Soil Health Mavericks,” will be held at the Holiday Inn in Alexandria, Minn. on March 8 and 9, 2023. This premier two-day soil health event features presentations from local and national experts: Dr. Elaine Ingham, Dave Brandt, Gene Goven, Anna Cates PhD, Kent Solberg, Doug Voss, and more. Returning this year is our “discussion tables,” providing ample time to network and ask questions directly to the slate of speakers.

The Summit typically sells out: in 2020, 180 farmers, graziers, and agriculture professionals attended the event. Please consider partnering with us by sponsoring our 2023 Summit. An application can be found on page 3. Visit the Midwest Soil Health Summit webpage for more details as announced at www.sfa-mn.org/midwest-soil-health-summit.
